India · Open to Finance leadership roles

## EXECUTIVE SUMMARY

Finance leader with **18+ years** across global financial services who owns the finance function end-to-end — **order-to-cash, invoicing & billing, accounts receivable, collections, account reconciliations, financial reporting, and statutory compliance (GST, TDS, US GAAP & Ind AS)** across India and the US. Builds and automates invoicing, collections, and reconciliation systems with strong internal controls, accurate documentation, and audit readiness — and brings a rare edge: production-grade **Agentic AI** (LangGraph, RAG, LLMOps) applied to finance operations and controls. Ex-State Street, IIM Kozhikode MBA, Six Sigma Black Belt, former CISO with six consecutive years of zero material ITGC/SOC1 findings.

## ORDER-TO-CASH, RECEIVABLES & COMPLIANCE

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Invoicing & Billing      | End-to-end invoicing & billing ownership · accurate, timely invoice issuance · billing-discrepancy resolution with clients & internal teams              |
| Accounts Receivable      | AR operations · payment tracking · collections & follow-ups · reducing outstanding dues / DSO · receivables cash-flow monitoring & leadership reporting  |
| Reconciliation & Records | Account reconciliations · accurate financial records & documentation · financial reporting · month-end close · audit support                             |
| Statutory Compliance     | GST · TDS · statutory & regulatory compliance (India & US) · audit-ready documentation · internal controls & governance                                  |
| Systems & Tools          | Building & improving invoicing, collections & reconciliation systems · process automation · advanced MS Excel & Power Query · ERP / accounting platforms |

## AI & AGENTIC ENGINEERING

|                       |                                                                                                                                      |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Agentic Orchestration | LangGraph multi-agent pipelines · supervisor / worker routing · reflection & revision loops · tool-using agents · stateful workflows |
| RAG & Retrieval       | Qdrant vector DB · Sentence Transformers · multimodal RAG (CLIP) · PDF / document RAG · domain knowledge bases · semantic retrieval  |
| LLM & LLMOps          | Azure OpenAI (enterprise) · Groq · Llama 3 · local / private LLMs · prompt routing · monitoring & logging · evaluation harnesses     |
| Delivery              | Python · FastAPI · Streamlit · PostgreSQL · Pandas · human-in-the-loop · AI risk controls · auditability · data privacy by design    |

## AI FINANCE SYSTEMS — DESIGNED & BUILT

AI Finance OS **FLAGSHIP** Python · FastAPI · LangGraph · PostgreSQL · Streamlit

Autonomous finance operating layer — LangGraph-orchestrated agents for bookkeeping, MIS, **invoice, intercompany, and reconciliation workflows**, and CFO decision dashboards.

### NAV Break Investigation Agent

LangGraph · Azure OpenAI · Qdrant RAG · LLMOps

Break/Investigation/Reflection agents with RAG over NAV rules and an LLMOps governance layer.

### Timesheet Intelligence

Multi-agent · Groq · Llama 3 · risk scoring

Data→Policy→Risk→Insight→Reflection pipeline surfacing only high-risk billing & utilization exceptions.

### SOI Review Agent

8-agent pipeline · PDF extraction · ASC 946 RAG

Eight-agent pipeline automating US GAAP ASC 946 Schedule of Investments review with preventive controls.

### Enterprise Ethics & Cover Letter Agent

Multimodal RAG · CLIP · Streamlit

Local multimodal RAG ethics advisor + a Writer–Reflection–Revision agentic RAG generator.

## EXECUTIVE FINANCE LEADERSHIP — NOTABLE IMPACT

- +40% productivity via workload assessment and operational process restructuring.
- ~80% reporting prep time through a streamlined performance reporting template.
- ~40% compliance breaches & +25% data-security improvement via governance policies.
- 60+ clients migrated to a new platform with 50% fewer support tickets.
- ~USD 200K annualized savings via vendor optimization, SaaS consolidation, and automation.
- CISO & ISO 27001 certified; established SOC readiness via control-framework design.
- Book closure BD10 → BD8 and MIS reporting accelerated by 2 days.
- Built AI Finance OS automating invoice, intercompany & reconciliation workflows.

## PROFESSIONAL EXPERIENCE

### McLaren Strategic Solutions — Vice President, Head of Finance

Jun 2025 – Present

- Own the finance function end-to-end — order-to-cash, invoicing & billing, accounts receivable, account reconciliations, financial reporting, and statutory compliance (GST, TDS, US GAAP / Ind AS) across India and the US.
- Run monthly, quarterly, and annual close; develop financial strategy, forecasts, and internal controls; monitor cash flow and report to leadership.
- Drive AI-enabled finance transformation — agentic automation of invoicing, collections, reconciliation, reporting, and controls.

### State Street, Bangalore — Sr. AVP / AVP / Sr. Manager, Financial Reporting

Jul 2018 – Jun 2025

Progressive growth: Sr. Manager (2018) → AVP (2020) → Senior AVP (2023)

- Built and led client-facing teams delivering US GAAP-compliant statements and reconciliations on schedule, improving client satisfaction and retention.
- Oversaw ITGC and SOC1 audits with a record of zero material findings; accountable for reporting systems and data-feed integrity.
- Managed post-M&A integration (Syntel, HCL JVs); led P&L optimization and process re-engineering.

### HSBC EDPI, Gurgaon — Manager, Business Finance

Dec 2016 – Jul 2018

- Finance business partner — budgeting, forecasting, CFO-level models; engineered Excel / Power Query reporting tools improving accuracy and timeliness.

### Ameriprise, Gurgaon — Trainer → Group Leader, Financial Reporting & Tax

Oct 2010 – Dec 2016

- Grew from Fund Accounting trainer to Group Leader across financial reporting and tax, building deep accounting and reconciliation foundations.

## EDUCATION & CERTIFICATIONS

MBA (EPGP), Strategy & Finance — Indian Institute of Management (IIM), Kozhikode · 2023

Certifications: Six Sigma Black Belt · ISO 27001 Implementer · ISO 9001 Implementer · Leader as a Coach

Domains: Capital Markets & Fund Administration · Banking · Insurance · IT — US GAAP & Indian Accounting (Ind AS)
